Dear Sir,

It gives us immense pleasure to cordially invite you to participate and share your valuable insights in the One Day National conference on "Emerging Trends in Fabrication of Nano-materials and Their Applications (NCETFNA-2023)" organized by Department of Physics, Chemistry and IQAC Prof. Dr. N. D. Patil Mahavidyalaya, Malkapur. Kindly send your abstract of the research article on the sub-themes mentioned below.

• About Rayat Shikshan Sanstha, Satara

Rayat Shikshan Sanstha was established in 1919 by a great visionary Padmabhushan Dr. Karmaveer Bhaurao Patil (Anna) with a motto of 'Education Through Self Help'. Rayat Shikshan Sanstha is one of the premier educational institutions not only in India but in the Asian continent. The total number of branches of Rayat Shikshan Sansta is 769, including 43 senior colleges which includes 6 Autonomous Colleges, 47 pre-primary schools, 62 primary schools, 444 secondary schools, 91 hostels, 07 teacher education institutes, 08 residential schools (Ashram Shalas), 03 industrial training institutes, 07 administrative offices and 57 other branches.

• About College

Prof. Dr. N. D. Patil Mahavidyalaya was established in June 1992 as a result of the initiative taken by Prof. Hon. Dr. N. D. Patil and Hon. Rau Dhondi Patil (Aaba), Ex-MLA of Shahuwadi Constituency and his other associates from Malkapur. It is a multi-faculty college situated in the lap of Western Ghat. It has become a center of higher learning for the students of this hilly and remote region of Shahuwadi taluka in Kolhapur district.

• About the Conference

Development in the modern world is deeply and intimately linked to science and technology. Additionally, it intends to connect top researchers, intellectuals, and scientists so that they can exchange insights and study findings on all facets of science and technology. It also provides a premier Interdisciplinary and Multidisciplinary Forum for researchers, industry practitioners and educators to present and discuss the most recent innovations, trends, concerns, practical challenges encountered, and the solutions adopted in the field of applied science and technology domain. The conference will provide an opportunity for renewing old acquaintances, making new contacts, and networking across higher education and beyond. We invite papers from all disciplines of science to reflect on the area in which technologies have impacted pandemic world.

• Themes of Conference

- ❖ Smart materials
- ❖ Magnetic materials
- ❖ Sensors, Super capacitors
- ❖ Energy Storage Devices
- ❖ Photonics
- ❖ Thin film technology
- ❖ Semiconductor materials
- ❖ Nano-composites
- ❖ Biotechnology
- ❖ Photonics
