Feedback Analysis Report

Introduction and Objectives:

Rayat Shikshan Sanstha's, **Prof. Dr. N. D. Patil Mahavidyalaya, Malkapur** was established in the year 1992. The college aims at the overall development of the students to become entrepreneurs and professionals in the respective disciplines. Every year a survey was conducted to assess the satisfaction of all the stakeholders (Students, Parents, Alumni, Teachers, and Employers) regarding curriculum of the college. The college is permanently affiliated to Shivaji University, Kolhapur and follow curriculum prescribed by university. Receiving positive or negative feedback from these stakeholders is important as both these are crucial in helping monitor and evaluate the provision. Listening to what stakeholder say is a contributing factor to running a successful college or institution.

Methodology

In every academic year, we ask all the stakeholders' to fill a feedback form which is made available on college website. Every year data was collected during the period 1st March to 10th March. But due to COVID pandemic, for this academic year, data was collected after lockdown period. The link of feedback form was made available to all stakeholders' on their email address, whatsapp account and also college website. Filling of feedback is voluntary.

For the academic year 2020-21, there were 865 registered students at the college. Out of which, Two hundred and fifteen (215) students responded to the survey, providing a response rate of 25%. The analyses presented in this report are based on the responses of the 215students' to the survey. Other than students' response, we also collected feedbacks from teachers, parents, alumni and employers.

Design of Feedback

The responses from the parents are collected on the two point scale

- 1) Yes
- 2) No

The responses from the students, teachers, alumni and employers are collected on the five point Likert scale.

- 1) Strongly Agree
- 2) Agree
- 3) Neutral
- 4) Disagree
