## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

### Assessment of Learning Level of Students

Slow and advanced learners are identified on the basis of marks obtained at HSC level. Those students who have obtained below the average percentage are identified as slow learners and the students who are at the top of the list are figured out as the advanced learners. Accordingly, our teachers apply different strategies to enhance learning capabilities for both the categories of students.

**Special Programme for Slow Learners:** Slow learners are provided 'Special Coaching' in certain subjects as per recommendation of IQAC. Separate time-table is prepared by the departments and the students are provided a special guidance accordingly. These students are also given home assignments and question banks. Unit tests are also conducted. Audio-visual session is organized in which inspirational videos are screened.

### Special Programme for Advanced Learners:

- General Knowledge Examination conducted by Rayat Shikshan Sanstha.
- Chem Quiz is organized for advanced learners.
- Encouragement to participate in research (Avishkar Competition)
- Participation in Science Exhibitions organized under 'Rayat Inspire Research Project'
- Participation in seminars and group discussions
- These students also encouraged to write poems, short-stories, articles, one-act-plays in annual college magazine and so on.
- Essay writing, quiz, debate and elocution competitions

## 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

### Experiential Learning:

1. Audio-visual experience of historical movies and movies based on the prescribed plays and novels.
2. Arrangement for taking pleasure of nature poetry in the idyllic surrounding.
3. Chemistry Department organises industrial visits every year.
4. Botany and Zoology departments organize annual study/excursion tours to different natural habitats and also visits to significant scientific organizations.
5. Commerce and Economics departments visit nearby banks. Our students have visited Infosys Campus Pune, Shivaji University, Municipal Corporation, District Collector Office and ZillaParishad, Kolhapur.

### Participative Learning Methodology:

1. Teachers skillfully employ the pedagogical tool of 'questioning' in their daily classroom activities.
2. Student Seminars -The students write papers on allotted topic and make presentations in departmental seminar.
3. Group Discussions - in which students actively participate and express their own views on contemporary socio-

political issues

4. The students also participate in field projects.
5. Students visit various banks, libraries and industries to take a first-hand experience of their transactions and processes.

**Problem Solving Methodology:** Teachers use Problem-solving methodology in which they push students to ideate on a particular issue that requires resolution. Both teachers and students are involved in the subsequent generation of idea to solve problems. Teachers from Mathematics, Statistics, Physics, Chemistry and Accountancy use this method.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

IQAC has been promoting moderate use of ICT based teaching. It encourages teachers to achieve 'Blended learning' which refers to learning approach that is a mixture of traditional classroom practice and moderate use of e-learning resources. It enables our teachers to teach effectively with the use of ICT.

Our teachers make use of the following ICT enabled tools:

#### Hardware

1. Computer
2. Laptops
3. Pen Drive
4. Printer
5. Scanner
6. LCD Projector
7. DVDs and CDs
8. White Smart Board

## Software

1. Internet: Wikipedia, wikihow, TED talks, internet archives, online dictionaries, coaching websites for effective teaching - learning process.
2. Our institute has established language lab that provides linguistic training for language learning.
3. Google Classroom: used to provide instructions and educational e-contents to the students.
4. Power Point Presentation: Every teacher makes use of PPTs for imparting enhanced learning experience.
5. Videos and films: Screening of films based on novels and plays prescribed in syllabus to provide audio-visual experience to students.
6. E- Books: Every department has made a collection of E-Books that are shared with students as per requirement.
7. You tube: Teachers provide links of useful educational e-content available on You-tube.
8. INFLIBNET: Students are provided access to E-resources through Information and Library Network (INFLIBNET) Centre.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

College makes sure that internal assessment is transparent and robust in terms of frequency and variety.

College has its own standard procedure to carry out internal assessment. Calendar for 'Continuous Internal Evaluation' is prepared and implemented rigorously.

Physical Director of the college arranges Physical Education examination for the first year students of all faculties in which the external examiner assesses physical exercise performance of the students.

Question papers of Self Study papers are set and assessed at institutional level and obtained marks are forwarded to the university. Science students participate in practicals through the entire academic year. These practicals are duly recorded in the journals and checked by concerned teachers. Students who fail to complete the journals are not allowed to take practical examination. The second year students of all faculties undertake field projects for Environmental studies. These projects are assessed very objectively by the college teacher and the obtained marks are forwarded to university.

Third year students from Arts, Commerce and Science faculties make a seminar presentation and submit their project reports for the internal assessment.

Thus the college maintains transparency and robustness in its internal assessment.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

- College has a transparent, time-bound and efficient mechanism to deal with examination related grievances. The

grievances are received and immediately redressed by the Examination Committee.

- The examinations of all faculties are conducted in the institution.
- The examination committee receives grievances before, during and after the examination.
- The committee ensures that every student fills examination form in time. Complaints of non-receipt of Hall Tickets are communicated to University. Any discrepancy/difficulty during examination is urgently communicated and resolved.
- If students are involved in malpractice such as copy case, strict action is taken against such students. Such cases are formally handed over to university authorities for further action. In order to curb such malpractices, college internal squad is formed that maintains transparency and standards of examination procedure. Similarly, as the assessment of the first year answer books is done in the CAP centre, the college provides the photocopies of assessed answer books if students demand it. Besides, the grievances related to results are also redressed by the college committee efficiently by sending the necessary documents to the university authorities. The above grievances are redressed in the shortest possible time.

#### 4.3 - IT Infrastructure

##### 4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

The college facilitates extensive use of IT infrastructure by updating and maintaining the required equipments and accessories like computers, laptops, printers, LCD projectors, xerox machine, dynamic website, smart boards, and various softwares.

The college always focuses on student centered teaching-learning. Teachers are promoted to use IT facilities like computers/ laptops, power point presentation, video lectures for their teaching. In order to update ICT knowledge, teachers are encouraged to participate in workshops/short term courses related to use of ICT in teaching-learning process. INFLIBNET, CD's, Rayat Knowledge Bank, Video lectures are exclusively made available to students to enhance learning capabilities.

Computers available in the institute are maintained and upgraded through the AMCs. Sufficient provision is made in the annual budget for every department to purchase and maintain IT facilities in the departments.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms )

**Students' representation and engagement in various administrative, co-curricular and extracurricular activities:**

To involve students in the decision-making process of various academic and administrative bodies, the institute has formed a Student Council to decentralized administration the institute. As per the Maharashtra Public Universities Act 2016, our college has formed a Student Council that comprises 19 members along with Principal as its Chairman. Principal of the college nominates a Senior Professor, an NSS Programme Officer and Director of Physical Education and five bright students among which two students belong to reserved categories on the Student Council. The college management identifies the Class Representatives on the basis of their percentage in the previous examination. Two representatives of Cultural and Gymkhana departments are also selected on the Student Council. Finally, the Secretary of the Student Council is elected by the members of the council. The council has given an opportunity to the Students to have their say in the activities that go on in the institute. It has enhanced the communication between the students and other stakeholders of the college.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

#### Response:

The following are the vision and mission statements and goals of the institution.

#### Vision:

To strive for the development of enlightened and humane society through purposeful teaching, learning, research and extension programmes for the attainment of social justice, national integration and human values.

#### Mission:

We are committed to provide quality education to the students from hilly, rural and socioeconomically backward sections to make them employable, self-reliant and responsible citizens of our nation.

#### Goals:

To work for the spread of education among socially and educationally deprived classes.

To make special efforts for the overall development of the hilly region through research and

extension programmes.

To bring about the integrated development of the society through the purposeful curricular, co curricular and extra-curricular activities and outreach programmes.

To address the needs of the farmers, women and artisans through open learning programmes.

The vision, Mission and Goals are mentioned in the college prospectus. They are also displayed on the website of the college and at the college entrance. The governance of the institution has been reflective of an effective leadership in

tune with vision and mission statement of our institution. The college is governed by Rayat Shikshan Sanstha, Satara which is one of the significant educational institutes of Maharashtra.

The college is also administered with decentralized and democratic decision making processes. Since the institute is located in hilly and rural region of the Western Ghats of Maharashtra, it aims at spreading education among the socially and economically depressed classes.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

**Decentralization through forming various committees:**

IQAC formed various statutory and auxiliary committees that functioned separately. Each committee was headed by chairman. These committees made administrative and academic decisions after giving sufficient multifaceted discussion on the matter in hand. The resolutions passed in different bodies were minuted and decisions were implemented.

e.g. -College Development Committee (CDC)

In order to bring decentralization in management, College Development Committee (CDC) was formed in the academic year 2018-19 as per Maharashtra Public Universities Act, 2016 (Mah. Act No. VI of 2017). The committee had a decentralized and participative nature and played significant role in decision making. CDC meetings were organized regularly in the college and academic, administrative and financial issues were thoroughly discussed. After sufficient deliberations, unanimous decisions were made. CDC reflected decentralization as it included all encompassing representation of its stakeholders. College Development Committee took initiatives for an overall comprehensive development of the college regarding academic, administrative and infrastructural growth. It made recommendations regarding the students' and employees' welfare activities in the college. It discussed the reports of the

Internal Quality Assurance Committee and made suitable recommendations. Also it framed suitable admission procedure for different programmes.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Since the college has been established in the hilly and remote region of Shahuwadi Tehsil in order to impart the quality education to the students of the region, it has chalked out its long term strategic plan which is rigorously implemented for the overall development of our students. There is an ample space for the infrastructural development of the institute. Keeping this in mind, the institute has resolved to complete the following infrastructural projects:

#### A Separate Library Building:

The central Library of our college is rich with 8068 reference books, 8327 text books, 68 Journals, 3257 Databases, 107 CDs/DVDs. The total area of Central library is 552 sq.ft. A reading room for boys and girls is provided. The seating capacity of reading room is 50. In the central library reading facility is available for 8 faculty members. However, the existing library space is not sufficient in view of total number of students in our college. Hence, the college management has been trying to augment the space by building a separate library building.

However, these above facilities are not sufficient due to increasing strength of the students every year. In order to create National and International level sportsmen, the college needs to have a spacious indoor stadium. The college has been attempting to realize this dream.

#### 4. Wall Compound:

## 4. Auditorium

## 5. Augmentation of space of Laboratories:

## 6. N.C.C Unit

## 7. e-Governance

## 8. Parking System:

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Management of Rayat Shikshan Sanstha, Satara has various governing bodies such as Managing Council, General Body and Regional Bodies that have a control over the administration of all the colleges. Principal of the college is accountable to these various bodies of the parent institute and College Development Committee (C.D.C.). The college follows the service rules, procedures, recruitment, promotional policies as per Sanstha's recruitment policy, UGC and State Government rules and Regulations. The college adheres to the following rules and regulation: The recruitment, service, promotion, superannuation etc., are governed by the service rules of the UGC, Shivaji University, Kolhapur and the Government of Maharashtra, as declared from time to time. These rules are as under -Service Rules for Teaching-staff - as per the UGC Norms. As per government resolution Higher & Technical Education Department No. NGC - 1298 (4619) uni 4, dated 11th Dec. 1999 of Government of India MHRD letter No.1-32/2006 - U. II U I(i) dated 31st Dec. 2008, Service Rules for Non-teaching staff - As per the Government of Maharashtra's Civil Service Rules as per Standard Code 7th March 1985 & MCSR 1981 (Maharashtra Civil Service Rules) Recruitment, Promotional Policies. The recruitment and promotion of staff are done strictly as per the rules and regulation of the UGC, New Delhi, the Government of Maharashtra, and as per the guidelines mentioned in the Maharashtra Public

Universities Act, 2016, and the guidelines issued by Shivaji University, Kolhapur from time to time.

#### **6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff**

The college evaluates the performance of teaching staff on the basis of data provided in the prescribed format entitled 'Performance Based Appraisal System' (PBAS).

PBAS evaluates teacher performance with respect to -

- preparation and implementation of annual teaching plan
- use of ICT in imparting knowledge to the students
- participation in curriculum design and enrichment
- participation in UGC Organized Orientation, Refresher and Short-term course
- performance of examination related duties
- participation in and organization of extension activities, cultural activities, academic and administrative committees as chairman and member
- research contribution in the form of publishing and presenting of research papers in various national, international journals and conferences, seminars and symposia

The IQAC assesses the data with required supportive documents submitted by each faculty. The PBAS scores are verified by the IQAC committee. For the Non-teaching staff, Performance Appraisal is done through their 'Confidential Report' prepared by the Principal, which is sent for evaluation to our parent institute Rayat Shikshan Sanstha, Satara. On the basis of these reports, the non-teaching staff receives promotions in their service as per government rules.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The institution mobilizes funds in the following ways:

1. College maintains reserve fund in the form of fixed deposits.
2. Individual donors
3. Admission and Examination Fees
4. Students who are admitted on non-grant basis as per the non-grant policy of state government
5. Funds from UGC Schemes
6. Scholarship of students from the state government.
7. N.S.S. grants by Shivaji University, Kolhapur

**Optimal Utilization of Resources:** The institution has adequate budgetary provision for academic and administrative activities. The annual budget is prepared considering needs and requirements of the college. Management of the institute prepares a budget taking into account requirements of all departments and sends it to Rayat Shikshan Sanstha for approval.

After seeking approval from Sanstha, purchase committee looks after the purchase of items and accounts are settled immediately. The institution makes a special budgetary provision for maintaining the existing infrastructure as well as for providing required infrastructure. Transparency is maintained while procuring required items.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

### Best Practice I: 'Gender Equity Week' Introduction:

- Gender equity is achieved when women and men are given equal rights and opportunities in every walk of life.
- In today's globalized world, women have reached almost all possible heights of achievement. However, the society still has many prejudices as both genders are treated differently.
- The college has initiated celebration of 'Gender Equity Week' with the objective of sensitizing students about gender equity.

### Objectives:

- To create an enabling environment that is free from gender bias.
- To promote gender equality, diversity on campus and awareness about women's rights.

### The Context:

- There are 54% girl students who reside within the circumference of 35 kms. They have to travel everyday to the college.
- Hence, it is very necessary to enlighten them regarding their rights and privileges bestowed upon them by Indian constitution.

### The Practice:

- Women empowerment committee organized Gender Equity Week

during 23-28 June, 2022.

- Lecture on 'Legal rights of Girl Students in India', poster presentation, Rangoli and Mehendi competitions were organized.

## Best Practice II: Farmers' Gathering

.Title of the Practice: Farmers' Gathering

Objectives of the Practice:

- To mediate between local farmers and agricultural experts by providing platform for interaction between them
- To impart information about the modern technology to increase production of various agricultural crops
- To motivate farmers to turn towards organic farming

## 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

**Imparting Education to the Students from Hilly and Socio-economically Backward Sections:**

We are committed to provide quality education to the students from hilly, rural and socio-economically backward sections to make them employable, self-reliant and responsible citizens of our nation. The college is situated in hilly and remote region of Shahuwadi Taluka of Kolhapur District. The region receives heavy rainfall and is highly forested. The college receives its student strength from 91 villages out of total 133 villages in Shahuwadi Taluka. Much of the student strength hails from poor and deprived classes of the region. There are poor transportation facilities that make their educational journey difficult. Despite this fact, in the current academic year, the

college strength is 915 in which the percentage of girl students is 49.61%. The college strives for multifaceted development of these students by providing -

1. UG courses such as B. A., B. Com. and B. Sc. and PG course i.e. M.A. in Hindi.
2. Skill-oriented short term courses such as 'Spoken English', 'Personality Development', 'A Certificate Course of Nursery' among others.
3. Guidance for competitive examinations
4. Leadership development through extension activities
5. Imparting discipline and patriotism (NCC)
6. Advanced learning facility through use of ICT
7. Mentoring for better future
8. Inculcating research aptitude through Rayat Avishkar
9. Conservation of biodiversity through various activities

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

- The college follows curriculum prescribed by ShivajiUniversity, Kolhapur.
- Academic calendar is prepared.
- It organizes meetings regarding month-wise plan of action at the beginning of academic year.
- HoDs prepare departmental academic calendar in departmental meeting.
- 'Time Table Committee' prepares college time table.
- Faculty prepare teaching plan according to the prescribed syllabus.
- Departmental heads allot portion of the syllabus to faculty.
- Academic diaries are maintained and Annual Teaching Plan is prepared by faculties.
- Academic diary is duly checked and signed by the head of the department
- Faculty members attend workshops on revised syllabus and implement newly introduced syllabus accordingly.
- Besides traditional methods, faculty also use experiential, participative, problem-solving and ICT enabled teaching-learning methodologies.
- Students participate in group discussion, seminars, home assignments, orals and projects which are a part of curriculum.
- Department of Chemistry, Zoology, Botany, History and Geography organize field visits in order to gain learning experience.
- HoDs of concerned departments supervise and make sure that the syllabus is completed within stipulated time.
- Syllabus Completion Reports submitted to the HoDs.
- Students are provided question banks
- Year-wise structured feedback regarding syllabus is obtained from students, teachers, employers, alumni and parents.
- It is analyzed and necessary action is taken.

#### 1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

- College has formed Academic Calendar Committee.
- The committee prepares Academic Calendar based on the academic calendar of Shivaji University, Kolhapur.
- It chalks out the plan of action for the entire academic year.
- It determines various curricular, cocurricular and extracurricular activities to be conducted throughout the academic year.
- It is submitted to IQAC and the cell sanctions it. It also includes programme for Continuous Internal Evaluation (CIE) of our students.
- CIE is conducted as per schedule of the academic calendar.
- As the departmental results are declared by the university in the month of June and July, the result percentage of our students are recorded and submitted to the office and management for the perusal.
- All the departments are notified to conduct seminars, home assignments and tutorials/unit tests as per the schedule given in the academic calendar.
- Accordingly, the teachers conduct these activities of evaluation and submit the internal marks to the office authorities which are further sent to the University.
- Likewise, the teachers are notified to allot the topics of projects to third year and second year students.
- Consequently, the teachers help students to complete their projects. The complete project reports are submitted to the departmental teachers and the internal marks are determined on the basis of the quality of the projects. The internal marks are submitted to the examination Committee of the college and sent to the University for final results. The students are informed about the examination through timely displayed notices on the notice boards.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

### Assessment of Learning Level of Students

Slow and advanced learners are identified on the basis of marks obtained at HSC level. Those students who have obtained below the average percentage are identified as slow learners and the students who are at the top of the list are figured out as the advanced learners. Accordingly, our teachers apply different strategies to enhance learning capabilities for both the categories of students.

**Special Programme for Slow Learners:** Slow learners are provided 'Special Coaching' in certain subjects as per recommendation of IQAC. Separate time-table is prepared by the departments and the students are provided a special guidance accordingly. These students are also given home assignments and question banks. Unit tests are also conducted. Audio-visual session is organized in which inspirational videos are screened.

### Special Programme for Advanced Learners:

- General Knowledge Examination conducted by Rayat Shikshan Sanstha.
- Chem Quiz is organized for advanced learners.
- Encouragement to participate in research (Avishkar Competition)
- Participation in Science Exhibitions organized under 'Rayat Inspire Research Project'
- Participation in seminars and group discussions
- These students also encouraged to write poems, short-stories, articles, one-act-plays in annual college magazine and so on.

- Essay writing, quiz, debate and elocution competitions

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

#### Experiential Learning:

1. Audio-visual experience of historical movies and movies based on the prescribed plays and novels.
2. Arrangement for taking pleasure of nature poetry in the idyllic surrounding.
3. Chemistry Department organises industrial visits every year.
4. Botany and Zoology departments organize annual study/excursion tours to different natural habitats and also visits to significant scientific organizations.
5. Commerce and Economics departments visit nearby banks. Our students have visited Infosys Campus Pune, Shivaji University, Municipal Corporation, District Collector Office and ZillaParishad, Kolhapur.

#### Participative Learning Methodology:

1. Teachers skillfully employ the pedagogical tool of 'questioning' in their daily classroom activities.
2. Student Seminars -The students write papers on allotted topic and make presentations in departmental seminar.

3. Group Discussions - in which students actively participate and express their own views on contemporary socio-political issues
4. The students also participate in field projects.
5. Students visit various banks, libraries and industries to take a first-hand experience of their transactions and processes.

**Problem Solving Methodology:** Teachers use Problem-solving methodology in which they push students to ideate on a particular issue that requires resolution. Both teachers and students are involved in the subsequent generation of idea to solve problems. Teachers from Mathematics, Statistics, Physics, Chemistry and Accountancy use this method.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

IQAC has been promoting moderate use of ICT based teaching. It encourages teachers to achieve 'Blended learning' which refers to learning approach that is a mixture of traditional classroom practice and moderate use of e-learning resources. It enables our teachers to teach effectively with the use of ICT.

Our teachers make use of the following ICT enabled tools:

#### Hardware

1. Computer
2. Laptops
3. Pen Drive
4. Printer
5. Scanner
6. LCD Projector

7. DVDs and CDs
8. White Smart Board

#### Software

1. Internet: Wikipedia, wikihow, TED talks, internet archives, online dictionaries, coaching websites for effective teaching - learning process.
2. Our institute has established language lab that provides linguistic training for language learning.
3. Google Classroom: used to provide instructions and educational e-contents to the students.
4. Power Point Presentation: Every teacher makes use of PPTs for imparting enhanced learning experience.
5. Videos and films: Screening of films based on novels and plays prescribed in syllabus to provide audio-visual experience to students.
6. E- Books: Every department has made a collection of E-Books that are shared with students as per requirement.
7. You tube: Teachers provide links of useful educational e- content available on You-tube.
8. INFLIBNET: Students are provided access to E-resources through Information and Library Network (INFLIBNET) Centre.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

College makes sure that internal assessment is transparent and robust in terms of frequency and variety.

College has its own standard procedure to carry out internal assessment. Calendar for 'Continuous Internal Evaluation' is prepared and implemented rigorously.

Physical Director of the college arranges Physical Education examination for the first year students of all faculties in which the external examiner assesses physical exercise performance of the students.

Question papers of Self Study papers are set and assessed at institutional level and obtained marks are forwarded to the university. Science students participate in practicals through the entire academic year. These practicals are duly recorded in the journals and checked by concerned teachers. Students who fail to complete the journals are not allowed to take practical examination. The second year students of all faculties undertake field projects for Environmental studies. These projects are assessed very objectively by the college teacher and the obtained marks are forwarded to university.

Third year students from Arts, Commerce and Science faculties make a seminar presentation and submit their project reports for the internal assessment.

Thus the college maintains transparency and robustness in its internal assessment.

#### 2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

- College has a transparent, time-bound and efficient mechanism to deal with examination related grievances. The grievances are received and immediately redressed by the Examination Committee.
- The examinations of all faculties are conducted in the institution.
- The examination committee receives grievances before, during and after the examination.
- The committee ensures that every student fills examination form in time. Complaints of non-receipt of Hall Tickets are communicated to University. Any discrepancy/difficulty during examination is urgently communicated and resolved.
- If students are involved in malpractice such as copy case, strict action is taken against such students. Such cases are formally handed over to university authorities for further action. In order to curb such malpractices, college internal squad is formed that maintains transparency and standards of examination procedure. Similarly, as the assessment of the first year answer books is done in the CAP centre, the college provides the photocopies of assessed answer books if students demand it. Besides, the grievances related to results are also redressed by the college committee efficiently by sending the necessary documents to the university authorities. The above grievances are redressed in the shortest possible time.

### 3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

1. **Research Promotion Committee:** The college has its 'Research Promotion Committee' which works with the motive to provide opportunities for conducting research related activities and creation of research attitude in the students. It directs students and faculty to platform where the evaluation of their research work is possible. It monitors the research related activities in the college and provides notification related to the same.

2. **Short Term Course Committee:** The college conducts various skill development courses. These courses are monitored and coordinated through 'Short Term Course Committee'. The courses such as 'Nursery', 'Preparation of Household Chemicals', 'Basic Electronics', 'Jewellery Designing', 'Bag Making' 'Beauty Parlor' etc. develops necessary skills among students which will be helpful in developing entrepreneurship attitude among them.

3. **Web-seminars on Entrepreneurship Development:** Entrepreneurship is important, as it has the ability to improve standards of living and create wealth. Entrepreneurs also help drive change with innovation, where new and improved products enable new markets to be developed. Keeping in view this, the college has organized web-seminars on entrepreneurship trends and its development. Eminent experts in the field of entrepreneurship were invited as resource persons for this activity.

**5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms )**

**Students' representation and engagement in various administrative, co-curricular and extracurricular activities:**

To involve students in the decision-making process of various academic and administrative bodies, the institute has formed a Student Council to decentralized administration the institute. As per the Maharashtra Public Universities Act 2016, our college has formed a Student Council that comprises

19 members along with Principal as its Chairman. Principal of the college nominates a Senior Professor, an NSS Programme Officer and Director of Physical Education and five bright students among which two students belong to reserved categories on the Student Council. The college management identifies the Class Representatives on the basis of their percentage in the previous examination. Two representatives of Cultural and Gymkhana departments are also selected on the Student Council. Finally, the Secretary of the Student Council is elected by the members of the council. The council has given an opportunity to the Students to have their say in the activities that go on in the institute. It has enhanced the communication between the students and other stakeholders of the college.

The list of committees in which Student Representation is reflected:

1. Internal Quality Assurance Cell
2. Magazine and Wall-Paper Committee
3. N.S.S (National Service Scheme) Committee
4. Gymkhana Committee
5. Cultural Committee

### GOVERNANCE, LEADERSHIP AND MANAGEMENT

#### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

##### Response:

The following are the vision and mission statements and goals of the institution.

##### Vision:

To strive for the development of enlightened and humane society through purposeful teaching, learning, research and extension programmes for the attainment of social justice, national integration and human values.

##### Mission:

We are committed to provide quality education to the students from hilly, rural and socioeconomically backward sections to make them employable, self-reliant and responsible citizens of our nation.

##### Goals:

To work for the spread of education among socially and

educationally deprived classes.

To make special efforts for the overall development of the hilly region through research and

extension programmes.

To bring about the integrated development of the society through the purposeful curricular, co curricular and extra-curricular activities and outreach programmes.

To address the needs of the farmers, women and artisans through open learning programmes.

The vision, Mission and Goals are mentioned in the college prospectus. They are also displayed on the website of the college and at the college entrance. The governance of the institution has been reflective of an effective leadership in tune with vision and mission statement of our institution. The college is governed by Rayat Shikshan Sanstha, Satara which is one of the significant educational institutes of Maharashtra.

The college is also administered with decentralized and democratic decision making processes. Since the institute is located in hilly and rural region of the Western Ghats of Maharashtra, it aims at spreading education among the socially and economically depressed classes.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

**Decentralization through forming various committees:**

IQAC formed various statutory and auxiliary committees that functioned separately. Each committee was headed by chairman. These committees made administrative and academic decisions after giving sufficient multifaceted discussion on the matter in hand. The resolutions passed in different bodies were

minuted and decisions were implemented.

e.g. -College Development Committee (CDC)

In order to bring decentralization in management, College Development Committee (CDC) was formed in the academic year 2018-19 as per Maharashtra Public Universities Act, 2016 (Mah. Act No. VI of 2017). The committee had a decentralized and participative nature and played significant role in decision making. CDC meetings were organized regularly in the college and academic, administrative and financial issues were thoroughly discussed. After sufficient deliberations, unanimous decisions were made. CDC reflected decentralization as it included all encompassing representation of its stakeholders. College Development Committee took initiatives for an overall comprehensive development of the college regarding academic, administrative and infrastructural growth. It made recommendations regarding the students' and employees' welfare activities in the college. It discussed the reports of the Internal Quality Assurance Committee and made suitable recommendations. Also it framed suitable admission procedure for different programmes.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Since the college has been established in the hilly and remote region of Shahuwadi Tehsil in order to impart the quality education to the students of the region, it has chalked out its long term strategic plan which is rigorously implemented for the overall development of our students. There is an ample space for the infrastructural development of the institute. Keeping this in mind, the institute has resolved to complete the following infrastructural projects:

**A Separate Library Building:**

The central Library of our college is rich with 8068 reference books, 8327 text books, 68 Journals, 3257 Databases, 107 CDs/DVDs. The total area of Central library is 552 sq.ft. A reading room for boys and girls is provided. The seating capacity of reading room is 50. In the central library reading facility is available for 8 faculty members. However, the existing library space is not sufficient in view of total number of students in our college. Hence, the college management has been trying to augment the space by building a separate library building.

However, these above facilities are not sufficient due to increasing strength of the students every year. In order to create National and International level sportsmen, the college needs to have a spacious indoor stadium. The college has been attempting to realize this dream.

**6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff**

The college evaluates the performance of teaching staff on the basis of data provided in the prescribed format entitled 'Performance Based Appraisal System' (PBAS).

PBAS evaluates teacher performance with respect to -

- preparation and implementation of annual teaching plan
- use of ICT in imparting knowledge to the students
- participation in curriculum design and enrichment
- participation in UGC Organized Orientation, Refresher and Short-term course
- performance of examination related duties
- participation in and organization of extension activities, cultural activities, academic and administrative committees as chairman and member
- research contribution in the form of publishing and presenting of research papers in various national, international journals and conferences, seminars and symposia

The IQAC assesses the data with required supportive documents submitted by each faculty. The PBAS scores are verified by the IQAC committee. For the Non-teaching staff, Performance Appraisal is done through their 'Confidential Report' prepared by the Principal, which is sent for

evaluation to our parent institute Rayat Shikshan Sanstha, Satara. On the basis of these reports, the non-teaching staff receives promotions in their service as per government rules.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

### Best Practice I: 'Gender Equity Week' Introduction:

- Gender equity is achieved when women and men are given equal rights and opportunities in every walk of life.
- In today's globalized world, women have reached almost all possible heights of achievement. However, the society still has many prejudices as both genders are treated differently.
- The college has initiated celebration of 'Gender Equity Week' with the objective of sensitizing students about gender equity.

### Objectives:

- To create an enabling environment that is free from gender bias.
- To promote gender equality, diversity on campus and awareness about women's rights.

**The Context:**

- There are 54% girl students who reside within the circumference of 35 kms. They have to travel everyday to the college.
- Hence, it is very necessary to enlighten them regarding their rights and privileges bestowed upon them by Indian constitution.

**The Practice:**

- Women empowerment committee organized Gender Equity Week during 23-28 June, 2022.
- Lecture on 'Legal rights of Girl Students in India', poster presentation, Rangoli and Mehendi competitions were organized.

**Best Practice II: Farmers' Gathering**

**.Title of the Practice: Farmers' Gathering**

**Objectives of the Practice:**

- To mediate between local farmers and agricultural experts by providing platform for interaction between them
- To impart information about the modern technology to increase production of various agricultural crops
- To motivate farmers to turn towards organic farming

**7.3 - Institutional Distinctiveness**

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

**Imparting Education to the Students from Hilly and Socio-**

**economically Backward Sections:**

We are committed to provide quality education to the students from hilly, rural and socio-economically backward sections to make them employable, self-reliant and responsible citizens of our nation. The college is situated in hilly and remote region of Shahuwadi Taluka of Kolhapur District. The region receives heavy rainfall and is highly forested. The college receives its student strength from 91 villages out of total 133 villages in Shahuwadi Taluka. Much of the student strength hails from poor and deprived classes of the region. There are poor transportation facilities that make their educational journey difficult. Despite this fact, in the current academic year, the college strength is 915 in which the percentage of girl students is 49.61%. The college strives for multifaceted development of these students by providing -

1. UG courses such as B. A., B. Com. and B. Sc. and PG course i.e. M.A. in Hindi.
2. Skill-oriented short term courses such as 'Spoken English', 'Personality Development', 'A Certificate Course of Nursery' among others.
3. Guidance for competitive examinations
4. Leadership development through extension activities
5. Imparting discipline and patriotism (NCC)
6. Advanced learning facility through use of ICT
7. Mentoring for better future
8. Inculcating research aptitude through Rayat Avishkar
9. Conservation of biodiversity through various activities
