Feedback Analysis Committee
Action Taken Report on Feedback

Academic Year: 2024-25

The institution systematically collects feedback on curriculum aspects and courses from various stakeholders, including students, alumni, teachers, parents, and employers. The collected feedback is carefully analysed, and valuable suggestions are considered for implementation. Based on the analysis, necessary actions are undertaken by the institution.

The following table presents key suggestions received from stakeholders along with the corresponding actions taken:

Sr. No	Feedback / Suggestions	Action Taken
1.	Organize research conferences to promote research culture	The college organized interdisciplinary conferences to strengthen research activities
2.	Encourage teachers' involvement in curriculum revision	Teachers are encouraged to participate in syllabus revision workshops organized by various institutions as well as board of studies
3.	Enrich Competitive Exam Centre	Increased number of books in the centre, Separate boys and girls reading room made available in the centre
4.	Add skill enhancement course to science subject	Started new course "Medicinal Plants" by department of Botany

Since the institution is permanently affiliated with Shivaji University, it follows the curriculum prescribed by the University and does not have direct authority to modify the syllabus. However, the institution actively contributes by forwarding constructive suggestions to the University. Some faculty members are also part of various Boards of Studies and Syllabus Revision Committees, enabling their involvement in curriculum design and revision. In addition, the institution encourages all faculty members to participate in syllabus revision workshops conducted by the University and other colleges.
