Subject: Request for Correction of First-Year Intake and Placement/Higher Studies Data in NIRF Portal...

Respected Sir/Madam,

With reference to our earlier communication regarding the incorrect entry of first-year student intake in the NIRF portal, we would like to inform you that we have successfully submitted the data for NIRF 2026 using the existing entry due to portal constraints.

As advised in your previous email, we are submitting this request after the closure of the Data Capture System (DCS). Our institution, Prof. Dr. N. D. Patil Mahavidyalaya, Malkapur (Institute ID: IR-O-C-11119), had participated in the NIRF 2024 ranking process under the Overall category.

During the NIRF 2024 data submission, the first-year student intake for the academic year 2022-23 was mistakenly entered as 30 instead of the correct figure 360. Due to this incorrect entry, a technical error appeared in the NIRF 2026 portal, affecting the submission of data under the Placement and Higher Studies tabs. To complete the submission within the stipulated time, certain entries were made based on the existing data in the portal.

We sincerely regret this inadvertent error and kindly request you to permit us to correct:

1. The first-year student intake for 2022-23 from 30 to 360.
2. The related data under the *Placement and Higher Studies* tabs as per the corrected information attached herewith.

The revised and accurate data is enclosed for your kind consideration. We request your support in enabling the necessary corrections in the NIRF portal to ensure accurate institutional data.

Thanking you for your kind cooperation.

Yours faithfully,

PRINCIPAL
